

Attention, parents of children ages 5 through 9:

PROJECT VACATION:

STEAM

Science

Engineering

Art

July 31—August 4, 9:00 a.m. to 12:00 p.m.

As in past years, Project Self-Sufficiency is offering a weeklong, half-day camp for children ages 5 through 9. The camp will take place the week of July 31 through August 4 during the hours of 9:00 a.m. to 12:00 p.m.

The theme of this year's camp is STEAM: Science, Technology, Engineering, Art, Math. Each day, with the help of guest presenters, children will explore a different facet of technology through fun, hands-on projects and activities. Topics will include career exploration, experiments, problem-solving and more. Stories, music and crafts will add to the fun!

In order for your child to participate in Project Vacation, please complete and return the attached permission slip, along with the attached medical release form. Your child will not be considered enrolled in Project Vacation until all of this required paperwork is completed in full and submitted to: Project Self-Sufficiency, 127 Mill Street, Newton, NJ 07860. If you have any questions, please call (973) 940-3500.

We're looking forward to a great week and would be thrilled to have your child be a part of it!
