

Understanding “ACEs”

Adverse Childhood Experiences

Building Self-Healing Communities

**For Parents,
Caregivers
&
Community
Providers**

Tuesday, November 11, 3:00 p.m. –
via Zoom

**Learn how adversity
impacts neurological and
biological health
throughout life.**

**Discuss the impact of
childhood trauma on
population health.**

**Understand how
protection, prevention,
and promoting resilience
can improve health,
safety, and productivity.**
