CONNECTIONS MATTER™
developing brain • relationships • community

Presented by Project Self-Sufficiency

Tuesday, November 17th, 2:00 p.m. – via Zoom

Explore the Impact of Positive & Adverse Childhood Experiences and Learn How to Build Resiliency in Our Community

Learn about:

The effect of adverse childhood experiences on physical and neurological development

Positive impact of caring connections

Building compassionate communities

Connections Matter is a healing-centered curriculum that teaches adults how to use the power of connections to help develop healthy brains and supportive relationships, prevent and heal from Adverse Childhood Experiences (ACEs) and strengthen communities.

A program of the Journey Family Success Center
